

I AM A
**WATER
WATCHER**

The background features a large, light blue circle centered on a darker blue background. A dashed white line forms a larger circle around the central one. There are also some abstract, darker blue shapes behind the main circle.

I have a responsibility to keep kids safe in and around water.

I agree to:

- **Actively watch the children in and around water.**
- **Keep my eyes on the water.**
- **Avoid distractions like talking on the phone, socializing, or reading while watching children.**
- **Keep a phone near water for emergencies.**
- **Remain by the water until relieved by a new water watcher.**
